Greetings to all Seniors at Foothills Church!

August brought triple digit temperatures, smoke, and, of course, the continuation of Covid, but nothing stopped our Seniors. We enjoyed singing, testimonies, a musical program, a heartwarming movie, and just being together, and now we are excited about our line-up of programs scheduled for September.

## SEPTEMBER 2: MIKE & ELISSA BRILL

Mike and Elissa are our missionaries who answered God's call to go "to the uttermost parts of the world" and are home on furlough from Spain. This young couple has been on the mission field just two years – has been through cultural and language training, and in March assumed their first assignment. We can hardly wait to hear about their first two years there – what their ministry is and how the Lord is blessing! Please come and support these courageous Christians whose heart it is to touch others for Christ.

## SEPTEMBER 9: PASTOR SAM PARSONS

As our pastoral contact, Pastor Sam has made sure we had everything we need for this ministry, and we so appreciate his love and support for us Seniors. He is far behind us in years, but he is well ahead of his years in his spiritual maturity, and he teaches God's truth with power. We look forward to welcoming him and hearing what God has laid on his heart.

## SEPTEMBER 16: COMER JOHNSON

Comer is one of our favorite teachers. It is obvious that God's call on his life to the pastorate is still operative; he just sounds like a preacher! We love his down-home demeanor, his sense of humor, and the way he makes God's Word relevant for today. When he steps from the piano to the microphone, we know we are about to be entertained, engaged, and inspired.

## SEPTEMBER 23: MICHELLE WARD

How recently have you been the target of a scam attempt? Maybe it was a phone call or an email or even someone knocking on your door. If you've fallen for a

scam, don't be embarrassed because these scam artists are very slick at what they do, and they target Seniors more often than anyone else. Michelle Ward is with the El Dorado County Council on Aging and will be presenting a program to educate us about their favorite schemes so you will be prepared when, not if, they try to make you a victim. Come and learn and invite others as well. It'll be time well spent!

#### SEPTEMBER 30: MEET ME AT THE MOVIE

Because Covid has limited our activities and because having fun together is an important part of our fellowship, the last Wednesday of every month is now movie day. We are committed to quality movies that are in keeping with our Christian values. There will be popcorn, and it's free!

If you want to be with your friends and make new ones, if you enjoy uplifting music, if you benefit from engaging teaching, and if you just like being among loving, friendly Christian people, then Foothills Seniors is the place for you. Wednesday afternoons at 1:00 in the Worship Center.

Love from your Foothills Seniors Leadership Team
