Discussion Questions

1. Pastor Sam started by asking three times "What does it look like for you to reflect Christ and not the culture in your life context?" What struck you most from his comments?

Read Philippians 2:12-18

2. Paul starts out in verse 12 commending the Philippian believers for their obedience. Not many of us are attracted to the idea of obedience. How do you react to that term?

3. The word "obey" is found 165 times in the Bible. Below are a few quotes from Jesus. For each verse, answer two questions: What does Jesus say? What does it mean?

Matthew 28:20

Luke 11:28

John 14:15
