MOSES

THE TEN PLAGUES

Exodus 1:1-11

GOAL

To help children understand that God shows mercy to Israel, but judges Pharaoh and the Egyptians. God's power is absolute, and He wields it in favor of those who love and obey Him.

HEART PREP

In freeing His people from slavery in Egypt, God was able to demonstrate to His people that He was very much real and that He cared for them. It also presented an opportunity for God to display His supremacy over the false gods the Egyptians worshiped.

For several of the plagues, God specifically spared the Israelites from any harm, which proved that God protected and provided for those who loved and obeyed Him.

The Israelites were slaves in Egypt for 400 years. They had prayed for deliverance for a very long time. The fact that it took 400 years for God to come to their rescue doesn't mean that God didn't care before, just that the time was not right yet. Everything God does is perfect. He blesses us with the exact right thing at the exact right moment. Like He did for the Israelites, God will protect and provide for us.

READ & LISTEN Exodus 1:1-11

ASK & THINK

1. How did Pharaoh respond to Moses' request to free the Israelites?
2. What happened to the Nile River when Aaron touch it with his staff?
3. What did God send when Pharaoh again refused to let the Israelites go?
4. What plague did God send next?
5. The plague of flies covered all of Egypt except what area?
6. How did God punish Egypt next?
7. Did the plague of painful sores change Pharaoh's heart?
8. What did Moses warn the people to do before the next plague struck?
9. What did the swarm of locusts do?
10. Why were the Israelites supposed to pain their doorposts with lamb's blood?
11. What happened after the tenth plague hit Egypt?

PRAY

God, we love You. Thank You for delivering the Israelites from slavery. Thank You for protecting us and delivering us from sin. Help us to keep our minds and hearts focused on You. We ask these things in Jesus' name, Amen.

FIND & REMEMBER - teach your kids how to navigate their Bible

Exodus 3:14

God said to Moses, "I Am Who I Am." And he said, "Say this to the people of Israel, 'I Am has sent me to you.'"

As a name, "I Am Who I Am" is a bit hard to understand. God's name signifies His existence as a being that was not created by another. It also means that He is today exactly as He was before and always shall be. God has always existed and always will, and His nature is unchanging.
