

Awana is an awesome ministry of kids clubs that encourages kids to get into God's Word. These clubs meet on Tuesday evenings, September thru May, and they are FUN!

Cubbies, Sparks and T&T club nights consist of a rowdy game time, rockin' large group worship and teaching time, and a focused time with their small group and small group leader. Trek & Journey (JH & HS) participate in group Bible study, fellowship and often food!

It's so well loved, that we often don't have enough small group leaders for the number of children wanting to participate. Children from other churches are welcome to join the Foothills Church Awana clubs, but at least one parent is required to serve as a small group leader.

Please give prayerful consideration to being part of the Awana team. Learn more by talking with Awana Director, Jim Crone: jim@jcrone.com
